Request to be excused from physical activity

If your child needs to be excused from physical activity, there must be a note, signed by a parent/guardian **in their planner**, explaining the reason why they need to be excused.

Your child **must still bring in their PE kit** and change along with the rest of the class. PE encompasses a variety of roles – not just that of performer, therefore your child will still be required to take part in the lesson in a non-practical way. Failure to bring PE kit will result in sanctions.
