

DONCASTER PARENTS VOICE

Online Offer April 2020 for SEND families

Providing support for Parents

Advice and information on local support services via face book, website or by phone 01302 637566

LOOKING AFTER YOUR MENTAL HEALTH

Our team of volunteers will be available to chat 1:1 with current and new parents on our **telephone befriending** Service for parents needing emotional support. They can support you by being there for you to talk about how you feel and how this different way of living is affecting you and your family.

Counselling support via Telephone is also available

Call **01302 637566** and leave a message if you would like to take up either of these services

Coronavirus Update

Hope everyone is keeping safe and staying indoors, in these worrying times. Like everyone else we have had to change the way we engage with families. We will be offering a range of ways for you to get support from us and from each other as well as informing service leads in the council, health services and schools how families are being affected by this crisis. We will be keeping you updated on how you can get your story told

We will be keeping families informed with regular updates about activities for them to do and local and national information and news via our open face book page
